WINNEBAGO HOMEBUYER PROGRAM

Information Sheet (2018-19)

FINANCIAL ASSISTANCE

Qualified homebuyers receive an average of \$12,000 in 0% interest deferred loans for downpayment and closing costs. Additional 0% interest deferred loans are available for home rehabilitation.

Deferred loans are paid back to the program at such time when the borrower sells the home, transfers possession, or no longer utilizes the home as their primary residence. Financial assistance amount is determined on a case by case basis. All funds are available on a first come, first serve basis after the applicants have met all the program requirements.

Homes purchased must be located in Winnebago County. Homes will be inspected to ensure that the properties meet program guidelines and/or that they can be appropriately rehabilitated so as to meet HUD’s housing quality standards for health and safety when rehabilitation has been completed.

ELIGIBILITY (GROSS INCOME BEFORE DEDUCTIONS)

Applicants must be income eligible to qualify for homebuyer services and to receive financial assistance through the WCHA Homebuyer Program. County Median Income (CMI) for Winnebago County based on family size determines income eligibility. The household’s total gross income cannot exceed 80% of CMI. A percentage the households served will be at or below 50% of CMI. **Please note that eligibility numbers are subject to change annually.**

Household Size	Maximum 80% CMI
1	\$39,850
2	\$45,550
3	\$51,250
4	\$56,900
5	\$61,500
6	\$66,050

REQUIREMENTS

Applicants must be willing to commit to completing the program requirements including: completion of a homebuyer program application and related forms needed to document eligibility; participation in 8-10 hours of homebuyer education classes; participation in financial counseling; preparing a spending/savings plan; and saving a minimum of \$1500 - \$3500 of personal funds to go towards the down payment/closing costs for the home they want to purchase.
